## Architects visit Hampton Lucy Church

*Stephen Oliver (2<sup>nd</sup> left), church architect for the restoration project, with a group of visiting architects in the scaffolding tower above the roof of the apse*

and Hutchinson, who achieved national acclaim for their work on 19<sup>th</sup> century church buildings. Hutchinson's grave is in the churchyard with a memorial tablet in the vestry. The visitors also explored the complex under-croft. Everyone agreed that it was an interesting and informative afternoon and WMACG will be making a donation to the church restoration fund. English Heritage, The National Churches Trust, The Council for the Care of Churches and The Garfield Weston Foundation have all contributed generously, plus many fund-raising events organised within the parish. Thanks to good management and fine weather the work is on schedule and should be completed by the end of October.

## Loxley School End of Term Report

Loxley School enjoyed a hectic end to the year. It began with Sports Day, planned by the Year Six pupils, with many parents and friends enjoying the sunshine and cheering on the children. Later in the week the Friends of Loxley School hosted a Leavers' Disco and Barbeque, a new school event; fun for the children and a social evening for parents, staff and invited guests who had helped the Friends committee during the year. I am sure this will now be an annual event! On the last day of term a very special service took place at Loxley Church when we joined Year Six to celebrate their departure from Primary School. The leavers shared memories of their time at the school and fellow pupils read out very personal messages of good luck to their friends. The whole school then performed the story of Noah's Ark, as chosen by the Year Six pupils. It was a service full of joy and laughter, plus a few tears! Those that were leaving then enjoyed a limousine trip into Stratford. We wish them all "Good Luck".

## The Boar's Head triumphs again!

Sue Maindonald, licensee of The Boar's Head, Hampton Lucy, was delighted to receive the CAMRA award for The 2010 Warwickshire Pub of the Year at a presentation party in Hampton Lucy on the evening of 29 July. The title is awarded by CAMRA following 'anonymous customer' visits during normal working hours and is a fine achievement and prestigious success for Sue and her staff. Congratulations to her and to all of her team, and we wish them further success in the Regional rounds.

Dear Friends,

Early in August, we were staying in Brecon with the family. I was clearing up in the kitchen with my mother-in-law and our thoughts drifted back to the news reports from Pakistan the night before. I just hadn't been able to take in the images. The scale of the flooding and human suffering was mind-boggling. My mother-in-law felt the same and, as she tried to make sense of it, memories of flooding in Brecon returned. Heavy rain runs off the Brecon Beacons and pours into the River Usk. Some years the rain is so heavy that the river bursts its banks and inundates part of the town. One year stood out in particular and has become family folklore. Water reached as far as the ground floor ceilings and, when it subsided, our family helped to clear up the contents of a friend's silt-filled house. That was bad enough, but those floods were microscopic in comparison to the ones in Pakistan. What on earth can it be like for the people there? The mountains in the north of Pakistan are 7-8,000 feet high. Rainwater "thundered down them...washing away everything on the valley floors," as one news reporter put it, "...and in the process, the

whole geography of the land was changed." As I write, 1,600 people have lost their lives and 14 million people have been affected. ".....We have nothing to eat. We have left our livestock. Villagers could only save their families. After we have saved our children, we sit here on the road. We have been sitting here for the last two days." And they wait for aid. The image is strikingly similar to one in the Bible. That image is in the story of the Good Samaritan who stops to help someone of a different nationality, a total stranger, who is in dire circumstances on the side of the road. Jesus told the story in response to a question from someone who knew they should love their neighbour but didn't know who their neighbour was. The reply points to our 'neighbour' meaning much more than just the person next door. Often it is the last person we'd expect and especially those who are in dire straits. The situation in Pakistan will need our love as neighbours; prayers, generosity, and practical love on a vast scale for some time to come.

With love and blessings,  
Cathy

### What does it mean to be a Christian? - An Opportunity for Discussion

Despite some predictions about religion dying out, it still seems to be very important to many people in this 21<sup>st</sup> century. Yet there are differing views within, as well as between, different religions and it isn't always easy to know how or where to find out more. Starting in October we are going to set up some opportunities for people to think about how being a Christian affects people's lives. We shall follow the Christian Nurture part of a course called 'Emmaus'. There will be 6 sessions in October and November and the course will resume in February for some more sessions. They will all be on Tuesday evenings, starting on 5 October, but we hope to have a get-together of all who are interested during the week before. It will take place at a suitable location within our group of six parishes. We plan to start at 7.30 pm with light refreshments. If you are at all interested and want to know more please contact Rev'd David Jessett (01926 624238, [rectory@barford.org.uk](mailto:rectory@barford.org.uk)) or Rev'd Cathy Davies (01926 624139, [Revcathydavies@aol.com](mailto:Revcathydavies@aol.com))

### Cathedral News

Coventry Cathedral is one of the world's oldest religious-based centres for reconciliation. Following the destruction of the Cathedral in 1940, a commitment was made not to seek revenge, but forgiveness and reconciliation with those responsible. The vision was to "build a kinder, more Christ-like world." One of the ways the cathedral tried to work towards this was by establishing the **Community of the Cross of Nails** which today is an international network of over 150 organisations in 60 countries committed to working towards peace and reconciliation. This work covers some of the world's most difficult and long-standing areas of conflict. The Cathedral's work of reconciliation continues to grow. Canon David Porter, the Director for Reconciliation Ministry, recently outlined new developments including establishing Coventry Cathedral as a place of Pilgrimage, using one of the Coventry Diocese buildings, St Michael's House, to set up a **Centre for Leadership and Development** for those working in the field of reconciliation, and to raise awareness of the Community of the Cross of Nails. Another new dimension will be the creation of a network of **International Cross of Nails Schools**. There are only five schools in the world at the moment that have this status. Each one has a connection with Coventry Cathedral and their local church. And at the heart of their ethos is the Coventry vision.

## Shipston Home Nursing

Shipston Home Nursing supports all of the villages surrounding Shipston, Wellesbourne and Kineton. Since the charity started thirteen years ago we have nursed between thirty and forty people a year, from as young as 17 to 90 years of age. There are eleven members of the Board of Trustees. Janet Oakey, the Nurse Manager, has a wonderful team of dedicated nurses who are highly trained in palliative care and do a remarkable job. Fund-raising continues throughout the year with all manner of events from country car-boot sales, plant sales, gift fairs, and sponsored walks, runs and bike rides, to discos, operas, balls and much more. The events are designed to encourage as many local people as possible to participate and we always welcome new ideas. The charity needs to raise £150,000 per annum and Shipston Home Nursing is fortunate to receive tremendous support from the local community, for which we are enormously grateful. In addition to the events that we run ourselves, many local groups and individuals arrange their own events and generously pass the proceeds on to Shipston Home Nursing. "Thank you" to everyone for your continuing help. **RM**

### The Pageant - 2010

The Story of Christ's Nativity, presented in mime and music, will be performed by the parishioners of our six parishes at St Peter's Church, Barford, this Christmas. The pageant, involving over a hundred adults and a smaller group of children, has been performed every five years since the early 1950s and has become a local tradition. If you are interested in taking an active part in this production, be it acting, singing or backstage, you are invited to a meeting at Barford church on Sunday, 3 October, at 11:00am. This will just be a short meeting to gather information on the numbers of people available. Details from Michael Ashton on 01926 624027. **MA**

### September at Charlecote Park

Antiques of all kinds can be brought to Charlecote Park on Thursday, 16 September, for the BBC Antiques Roadshow. Bring your treasures with you, but, if the items are too large to carry, contact the BBC at Bristol, BS8 2LR, email [antiques.roadshow@bbc.co.uk](mailto:antiques.roadshow@bbc.co.uk) or you can check the BBC website. Admission will be free. There will also be free entry to The Park for the Heritage Open Day on Saturday, 11 September. At this time of the season the deer become less shy and are more likely to be seen close to the main areas of the Park. Look out for the dates of the Deer Park Safaris in October (charges apply). The long-awaited repairs to the gatehouse are due to start on 20 September, and it is hoped that small groups will be allowed onto the gatehouse roof during this time, a unique opportunity to get a different view of the park and the surrounding countryside. Sunday, 19 September, marks another visit of the falcons from JRCS Falconry. There will be a 'Walk with the Gardener' at 2pm on Saturday, 25 September. Normal entry charges apply to these events. For further details of opening, events, etc please contact Charlecote Park on 01789 470277. **SF**

### Don't Forget !

Celebrate the completion of the 'Raise the Roof' project at Charlecote Village Hall on Friday, 10 September at 7.00pm **SL**

### Hampton Lucy and Charlecote WI

Our July meeting turned out to be truly inspirational! James Butler's talk on his sculptures was magnificent and during the evening he extended an invitation to everyone to visit his gallery in Radway. Many of us took up the offer and were enthralled by his beautiful and skilful work (and, when we win the lottery....!) There was no meeting in August but on Wednesday, 1 September, at 7.30pm we shall meet in Hampton Lucy when the speaker will be Maggie Millings with a talk entitled "Tales from the Dressing Room". The 'Quilt for Valour', hand-made by our group, is complete and resplendent in red, cream and blue. It is now with the quilter and awaiting despatch to wounded servicemen in hospital in this country. **MJW**

### Free Electric Blanket Safety Tests

Warwickshire Trading Standards Service will provide **FREE** electric blanket safety tests between 4 and 8 October for people aged fifty or over. Testing, by appointment only, will take place at the following venues: Tuesday, 5 October in Leamington Town Hall; Thursday, 7 October, in Kenilworth Library, and Friday, 8 October, at The Stratford-upon-Avon United Reform Church. Faulty electric blankets cause a number of fires each year, which can result in injury or death. Don't miss this opportunity. **Call Trading Standards Service on 01926 736477 for an appointment.** [ebtesting@warwickshire.gov.uk](mailto:ebtesting@warwickshire.gov.uk) **WTSS**

### Rogue Traders !

Summer is a particularly busy time for rogue traders and Trading Standards, together with the police, have been cracking down with special intelligence-led operations. Rogue traders use all types of tricks and intimidation to get householders to pay high prices for poor workmanship or, in some cases, no work at all. Here are some of their tricks:

**Pretending to be from the local council and offering to tarmac your driveway using materials that are "left over". Claiming to be also working on a neighbour's property in order to give you a false sense of security. Inventing problems which don't exist in hard-to-see places such as the roof. Using false names, documents and addresses with untraceable mobile phone numbers. Offering to start work immediately to prevent you from changing your mind.**

Never agree to work being done by cold callers who knock on your door, and don't be rushed into making a decision. You are legally entitled to take time to consider, so always seek recommendations from trustworthy local traders. To report a suspected rogue trader, contact Consumer Direct on 08454 040506. **WTSS**

## Hampton Lucy Parish Council

At the Parish Council meeting on June 23 the major subjects discussed were aircraft noise over the village, the proposed purchase of a gritting bin for the pavement on Snitterfield Street and the condition and maintenance of the equipment in the playing field. Action was deferred until the next meeting when further information should be available. The chairman referred to a County Council requirement for a social housing needs survey. It was agreed that the views of residents should be sought. The next meeting will be on Wednesday, 8 September, at 7.30pm in the village hall when all residents are invited to attend. A copy of the Parish Council minutes, sent by e-mail, can be requested by contacting the Parish Clerk. on [liz-barry@supanet.com](mailto:liz-barry@supanet.com) **BM**

## Loxley WI

The members had a thoroughly enjoyable July meeting, when Diana Griffiths came to show the group her hand-stitched artwork. On Thursday, 12 August, the group is to visit Folly Lodge and Gardens at Halford. The next meeting will be held on Thursday, 2 September, at Lane End starting at 7.30pm. The speaker is yet to be arranged. **LL**

## Wellesbourne & District Lions Club News

The Lions Club are staging a very special charity 'Mini Prom' to raise money for local charities including Myton Hospice. This will be on Sunday, 12 September, at 7.30pm in the Guy Nelson Hall in Warwick. It features the world renowned concert pianist, Young - Choon Park with The Midland Concert Orchestra and the local choir 'Tarantara'. Tickets are priced at £14.50 with all profits going to charity. They are available from Paul Gibson on 841730, Terry Offiler on 01926 624153, or from Myton Hospice shops. Please come along, give us your support, wave a Union Flag and join in singing favourites such as 'Land of Hope and Glory' and 'Jerusalem'. Finally I would like to offer anyone with mobility difficulties the opportunity to try out an electric scooter. The Lions have a number of different scooters available for you to borrow. So before you go out and buy a scooter, why not take one out for a test drive (or two). **AS**

## Hampton Lucy Rural Cinema

September sees the return of the big screen to Hampton Lucy Village Hall. The film title is yet to be decided but watch out for the posters around the village. A great night is guaranteed! **MH**

## Aerial Photographs of Hampton Lucy

I have a limited number of attractive panoramic aerial colour photographs of the village, (12" by 5" unframed). ## The Loxley Strawberry Fayre

*The ever popular Punch and Judy at Loxley Strawberry Fayre, (note the irresistible peep round the back!)*

Being blessed with a sunny summer day on 10 July, Loxley held a very successful Strawberry Fayre. Once again the gardens of Loxley Hall made a beautiful setting, thanks to the hospitality of Peter Gregory-Hood. People from near and far flooded in and enjoyed the stalls and entertainment, as well as a delicious tea provided by the village ladies who had baked cakes, prepared sandwiches and hulled 75lbs strawberries for over 300 people! The villagers are delighted to have raised almost £2,500 for church funds. **LL**

## Breaking News

England Manager Fabio Capello was seen at The Loxley Strawberry Fayre talent-spotting for a new striker to redeem the fortunes of his beleaguered squad. He showed considerable interest in Rev'd Cathy Davies, seen here fine tuning her penalty kicking skills. Transfer fees are yet to be discussed. Her sponsor, the well known fashion shoe designer, Jimmy Choo, will be launching this controversial new range of football boots in the near future after some technical modifications. **AJW**
